MATTERS ARISING

Hellraiser – had 100 entries, plenty of Marshalls. Letters have been sent to the Sponsors thanking them; we also have buffs & hats left for future races. It was suggested that the race be changed to a possible 10k - something to discuss next year.

Christmas Handicap is the 18th December. Inc Chips. Charlie & Pat to arrange as usual.

The Workshop organised by Mike S had 68 people attending. Possibility to introduce for new runners every 3 months at a venue, Mike researching.

Norman Hindle to be organising the Championship data for 2019

Secretary Report

314 paid up members; VLM ballot applied for & confirmed 3 places. Marshalling all updated 50% of the club helped at a race. That 50% was an even split between those who helped at multiple & those who just helped at 1

Treasurers Report

The Club is in a healthy position. £5000 in the Bank at present, £1400 is for the Charity & £200 to be paid to Cheshire GP for the 10k & 20 miler inclusions.

AOB

Lots of kit for sale. A sale to be arranged before AGM.

A Kit manager has been suggested – kit once a month with 1 person keeping stock count (a spare key holder also suggested for emergencies) David Nimmo has volunteered for this.

Runner of the Month – Emma Tompkinson. Natalie to advise Paul M.

Facebook – Natalie to be the admin for this. We have people not yet joined & never joined getting the Sportshoes code (cheeky sods) and also trying to join Mike S workshop so a “cull” is to be done in January.

Air Products needs license & entry form starting.

Xmas party only sold 22 tickets, needs a minimum of 50 or it will be cancelled.

Committee sends thanks again to Neil & Winky for all of their help & support over the years

Neil sends apologies for the AGM

DATE OF NEXT MEETING: 3rd December 2018
