We had 215 Entrants and 188 Participants. The overall feedback from competitors about the event was very positive. Really good feedback on organisation, the marshals and the course/route in general. Some good suggestions about how the event could be improved for next year.

The net income generated by the event currently stands at circa £1,200 excluding Sponsorship. A new sponsor for next year's event has recently come forward and this seems to be an interesting option.

A donation of around £57 was generated by the sale of cakes baked by club members (Thank You) and £115 has been raised from the sale of residual SC20 T-shirts"
